ESTIVAL
2026

Welcome to the Island Concert Association! We are thrilled to have you join us for a fantastic 2026 February Festival of music. Get ready to experience a diverse lineup of talented artists in the beautiful setting of the Saint Simons Presbyterian sanctuary. Your ICA memberships and contributions provide the funding to bring these fine artists to the island. We will continue to provide live stream viewing that will be available on our website at concert time and throughout the rest of the season. We encourage you to attend the concerts in person followed by receptions with the artists. Please provide your email address so that we can send you a special reminder and link for each concert. Thank you for being a part of our community and for supporting the arts. Enjoy the concerts!
